Our Vision & Philosophy

Our Mission Statement

The mission of Heliotrope Avenue Elementary School is to enable and inspire our diverse College Bound students to achieve academic and innovative excellence.

In a learning environment focused on Science, Technology, Engineering, Arts, and Mathematics, students will make positive global contributions to solve real-world problems.

Our Vision Statement

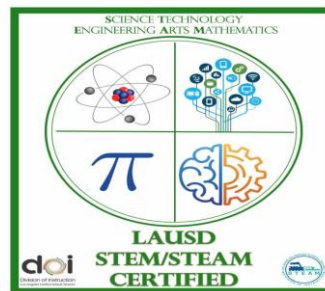

Heliotrope is here to promote:

Rigorous STEAM environments that embrace growth mindset, collaboration, creativity, and hands-on learning

Academic success accessed by student inquiry, communication, and critical thinking

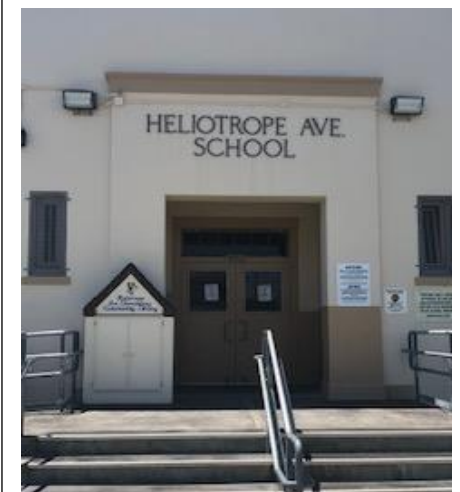

Meaningful relationships with students, parents, the community, and beyond

Self-motivated 21st-Century innovators, educators, leaders, and lifelong-learners

We are many and we are proud! We are honored to be Heliotrope Rams!

Why Heliotrope is loved!!!

Enrichment

Dance, Music, and Theater Classes are presented to students to help advance their talent and support their interest in the arts.

STEAM

Hands on STEAM lessons that incorporate the Common Core State Standards & NGSS.

Collaborative Planning

Grade-level teachers collaborate throughout the year to create engaging Common Core based lessons for students.

Student Council

Student representatives work together to plan school social events. They serve their school by helping to monitor hallways and making sure students are following Heliotrope's Safety Rules.
